Description

1977 Bill Shaw design Pearson 365 now for sale.

Designed specifically for a couple to cruise long term, the 365 is perfect for drinks for 8, dinner for 4 and home for 2.

As compared to other similar boats of this size the 365 has a massive amount of storage. Her generous cockpit and separate shower are just a couple of the nice touches that make this 36ft boat feel like home.

Journey has just completed a 19000NM, 4 year cruise and is now available for the next owners to continue her adventure. The current owners are more than willing to do a thorough handover of this wonderful boat to ensure a quick understanding of her outstanding features and history.

Over 400 Pearson 365s were built in the 1970s and 1980s. Pearson owners and fans worldwide share information free via an active user forum - pearson365.com

Journey is available for inspection now at our Newport Office.

Features

Designer	Bill Shaw
Builder	Pearson
Water (Potable) Capacity (l)	567
