Description

1987 Phantom 32 Mk II now for sale exclusively with DBY Boat Sales.

The original owner of this Phantom 32 Mk II of more than 30 years has finally decided to let her go. The couple watched the yacht being built in 1987 and have kept her to the highest standards throughout the years.

The Volvo 2002 series diesel shaft drive is in immaculate condition with a very low 600 hours showing. The maintenance records and receipts over the 30+ years are comprehensive and well kept.

Down below is as neat as you get, with cushions all in excellent condition, carpeted floor throughout, cockpit cushions, covers for absolutely everything.

The yacht is scheduled for annual antifoul in the first part of February 2021 which would be an ideal time to inspect out of the water or to arrange a survey.
