## Description

Phantom 33 SHADOW is exclusively for sale with DBY Boat Sales.

The Phantom 33 yacht, designed by [Nick Shein](#) and built by [Phantom Yachts](#) (Australia), was first built in 1985 and production continued until 1997. These yachts are known for their fin keel with a rudder on a partial skeg.

This 1989 Phantom 33 is a good example of this popular Australian coastal cruising yacht. With a raised cabin and an aft cockpit, the nicely appointed accommodation consists of a double berth forward, a double saloon berth and a port quarter berth. There is an enclosed head forward of the saloon.

The well equipped galley located to starboard forward of the companionway has plenty of cupboard spaces and a single deep stainless sink. The galley table seats 5.

Shadow has been well maintained and is structurally in sound condition. She was re-rigged in 2016 at Beashel Marine, Elvina Bay.

The professionally installed engine is in good condition with a new starter in May 2025.

The interior fit out, cushions and upholstery are all in good condition. A perfect size boat for a small family or couple and super easy to sail.

A great boat ready to go cruising or sail your favourite waterway. Tidy and great for her age, inspection is recommended.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email [sales@dbyboatsales.com.au](mailto:sales@dbyboatsales.com.au)
