Description

1977 Pion Van de Stadt 30 now for sale with DBY Boat Sales.

This 1977 Pion Van De Stadt 30 is a rare find... 1 owner since new.

A proven blue water yacht having sailed the South Pacific to Tahiti.

Well set up for single handed cruising with Hydrovane Wind Steering and sail controls back to cockpit.

After her initial launch and some 17,430 NM later she was dry stored from 1981 to 1989 when she was relaunched and cruised continually to date.

A lot of boat for the money.

Located in Pittwater, all inspections welcome.
