Description

Reinke Taranga 33

PRICE REDUCED!! MOTIVATED SELLER!!

This beautiful and tough steel boat built in Germany has arrived after an extensive cruise from Europe.

Sailed predominantly two handed by her proud young owners she has just sailed into Sydney. Fully equipped and ready to keep on going. The owners are leaving her just as she arrived with everything you need for your bluewater adventure. Her Volvo D1-30 was installed just last year with just 560 hrs.

Her draft is a modest 4ft 6", so perfect for exploring shallow lagoons or up the east coast of Queensland and NSW. She has a wonderful all weather, fully enclosed cockpit.

"Pagsinta" is the opportunity for those on a tight budget to buy into the cruising dream.
