Description

Riviera 3300 Flybridge.

Classic Australian Quality with Legendary Cummins Power exclusively for sale with DBY Boat Sales.

The Riviera 3300 Flybridge has earned its place as one of Australia's most respected and enduring family cruisers, combining exceptional sea-keeping, solid hand-laid fibreglass construction and a practical layout designed for comfortable coastal cruising.

This beautifully maintained 1993 example is powered by twin Cummins 6BT 210 hp shaft-drive diesel engines, showing just 1454 engine hours. Renowned for their reliability, economy and straightforward mechanical design. These engines as well as the generator have been meticulously cared for throughout their life, with extensive handwritten maintenance records from the previous owner available for inspection, a rare testament to the attention this vessel has received over the years.

Unlike many boats of this vintage, this Riviera has undergone only minimal modifications, preserving the original character and timeless appeal that made the 3300 one of Riviera's most successful models.

Step aboard and discover a spacious flybridge with excellent visibility, a huge cockpit ideal for fishing and entertaining, and a bright, comfortable saloon finished in quality timber. The practical galley, private forward island berth and convertible dinette provide comfortable accommodation for weekends away or extended coastal adventures.

Designed to handle Australian waters with confidence, the Riviera 3300 offers the perfect balance of comfort, reliability and versatility. Whether you're planning family getaways, entertaining friends or heading offshore for a day's fishing, this classic flybridge cruiser is ready for its next adventure.

Highlights:
- Twin Cummins 6BT 210 hp diesel engines
- Only 1,454 engine hours
- Extensive handwritten service history
- Spacious flybridge and cockpit

• Private forward cabin with island berth
• Enclosed bathroom with separate shower
• Legendary Riviera build quality
• Honest, original and exceptionally well maintained

A timeless Australian classic, ready to be enjoyed by her next owners.
