Description

This Roberts Offshore 44 is the perfect boat for any blue water cruiser ready to travel the oceans today.

Built in Washington USA by Veroy Marine she is an experienced and well equipped yacht who has earnt her miles.

Recently refurbished and fitted with the latest Raymarine electronics, she also has a reliable 55hp BMW engine which has undergone a serious maintenance overhaul only 2 months ago.

The Roberts offers security on the oceans as well as cruising in comfort.

She has a spacious layout with the massive double bed aft cabin her main feature.

The cockpit is fully enclosed by a large dodger which will keep you dry and provide an exceptional view even during the wettest passages.
