Condition	Used	State	New South Wales
Suburb	NEWPORT	Engine Make	Volvo

Description

Santana 30

Exclusively for sale with DBY Boat Sales is this good original example of a Santana 30.

REDUCED!! MOTIVATED SELLER!!

The Santana 30 was launched in 1985, a Doug Peterson-designed performance cruiser known for excellent light-air performance.

She is powered by a well maintained Volvo shaft driven diesel engine and her sail wardrobe consists of a battened main sail, #1,#2 headsails plus a spinnaker with pole.

The galley is to port as you enter and is a simple layout with single sink , ample pantry storage areas and metho cooking. All the upholstery is in good condition, and the yacht feels spacious for a 30 footer which has accommodation for 7.

The cockpit area has a spray dodger and a stainless steel bimini frame that supports fully enclosed canvas and clears making it very weatherproof and private.

For a detailed inventory or to arrange an inspection, please call 02 9999 3311 or email sales@dbyboatsales.com.au

Features

Designer	Doug Peterson
Builder	Ron Stenner
Water (Potable) Capacity (l)	1
