Description

Seawind 850 XL from 1995 is now offered For Sale exclusively with DBY Boat Sales.

PRICE REDUCED!! MOTIVATED SELLER!!

The Seawind 850 XL is praised as a great entry-level cruising catamaran, known for its simple, functional design, compact size, and ability to sail short-handed, featuring a versatile cockpit/saloon area, good accommodation for its size (sleeping 4-7), and solid performance with battened main, furling headsail and powerful 2008 model Honda 20HP outboard.

Reviews highlight its excellent space utilization, level sailing, easy handling, and robust build.

- Design: A compact catamaran designed by Scott Jutson, precursor to the popular Seawind 1000, balancing performance and comfort.
- Sailing: Easily sailed short-handed with furling headsail and stack pack main with lazy jacks; performs well in moderate winds, reaching 6.5-8 knots upwind.

Accommodation & Layout

- Galley: Starboard hull features a galley midships with a stove/grill, while the port hull is separate and has berths.
- Berths: Sleeps 4-7, with vee berths forward, double berths aft, and midship berths that can extend.
- Saloon: Features a U-shaped lounge, convertible table, and great connection to the cockpit.
- Galley/Saloon Connection: A hallmark is the large, open connection between the saloon and cockpit, creating a large entertaining space. A BBQ is neatly arranged on the aft rail
- Lighting: All the lights on board are LEDs

Lions Den was slipped in November 2025 including antifoul.
