Description

South Coast 36 ZEF exclusively for sale with DBY Boat Sales.

Based on a Roberts cruising design this South Coast 36 ketch is a popular and highly regarded Australian built GRP production yacht.

She is in a great all-round condition with some handy new cruising equipment including all electricity having been rebuilt, autopilot and electronics that are less than 3 years old. Sails very well as she's well balanced and is very comfortable even on those longer trips.

This is a large volume yacht and when aboard is difficult to believe that she is only 36 feet in length. Her deep cockpit, ketch rig and hard dodger make her the perfect offshore yacht or weekend cruiser.

The interior has been repainted and shes looking fresh!
