Description

This Southwind 770 Offshore motor cruiser for sale is one of a series of 28 hulls from the Japanese manufacturer. Ostensibly, they have remained unchanged during the changing of the guard with the exception of some cosmetics.

No doubt one of the cliches of management of Southern Star, especially when reviewing the Offshore 770 was, if it aint broke, why fix it.

This stunning example had a total mechanical refit in 2009 including new twin Yamaha 100 h.p. motors which have now only done 120 hours with extensive service receipts available.

Slipped and fully serviced in March 2014 and ready to go.

Priced to sell at \$47,500

For sale at DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For high resolution photos and an inventory, please email sales@dbyboatsales.com.au.
