Description

1984 Spacesailer 24ft sloop in excellent condition now for sale with DBY Boat Sales.

These pocket sized cruisers are amongst the largest interior volume boats on the market today and can accommodate up to 6 people.

Standing and Running rigging was replaced in 2009. The self-furling headsail and Furlex furler are 18 months old and in excellent condition.

An almost new 2018 Tohatsu 6hp 4 stroke outboard has been fitted.

This boat is immaculate and would make the ideal first yacht for club racing or cruising around the local waterways with family and friends.

A small draft of 4ft 3 inches allows safe entry into so many waterways. With her relatively low mast height, bridges are not a problem either.

A very fine example of these popular and sought after vessels. Located just near our sales wharf and ready to go. Won't be on the market long at this price and condition. Get sailing this summer.

Features
