Description

Immaculate 1981 Spacesailor 24 Mk II now for sale.

This Swarbrick designed Spacesailor 24 has got to be one of the most well presented Spacesailors we have seen in a long time.

Shameless Lassie a Mk II version with a sort after sliding hatch over the companionway and diesel motor with saildrive all in excellent condition and a rare find.

She is set up well for racing around the buoys with a near new main, furling headsail and spinnaker that's seen little use.

For family cruising she has a well thought out cabin that is in immaculate condition with a near new Maxie stove and fully enclosed head with separate water supply.

She has a cutaway transom and boarding ladder for easy access after a summer swim that can be enclosed when needed, together with cockpit cushions and boom tent for lazy afternoons with friends.

She comes with a 2014 Mercury 200 Inflatable, carry bag & cover along with a 2014 3.3hp Mercury outboard that has a 3 year warranty.

Suffice to say, this boat is simply jump on and off you go, so come and inspect at our Holmeport office.

Features

Designer	Swarbrick
Water (Potable) Capacity (l)	150
Hull Construction Material	GRP
Hull Type	mono
Deck Construction Material	GRP
Country Origin	Australia
Length (feet)	24
