Year	1973	Category	Cruising Yachts
Hull Style	Single	Hull Type	GRP
Power Type	Sail	Stock Number	INSN442855
Condition	Used	State	New South Wales
Suburb	NEWPORT	Engine Make	

Description

1973 Swan 44 for sale.

The owner’s parents purchased Wiz in 1983, and did a complete refit prior to cruising the South Pacific, Caribbean, and Mexico.

The current owners purchased Wiz from them in 2002 and did a complete refit in Seattle. The rig was pulled, mast painted, and every fitting on the mast inspected and polished prior to re-attachment. Every inch of wiring and plumbing was replaced.

Wizhas been well maintained for the last 35 years by our boatbuilding family.

There have been several major improvements along the way to make this fantastic sailing Swan more functional for cruising -

The original “submarine” companionway was modified make a much easier entry and provide better ventilation. This also added counter workspace next to the galley.

All teak has been removed from the deck. This is lower maintenance, lighter, cleaner, and much cooler than the original full teak decks.

The V-berth has been modified into a very comfortable double with memory foam cushions.

The upper “semi-bunks” in the saloon have been replaced with functional shelving and storage. The traveler has been replaced with a simpler and much safer central sheeting arrangement.

The rudder has been lengthened for improved downwind stability.

An additional 80 litre diesel tank extends range.

The family has now completed their trip from Mexico to Australia andWizis sail-away ready.

Features

Designer	Sparkman & Stephens
Builder	Nautor Swan
Water (Potable) Capacity (l)	300
Hull Construction Material	GRP
Hull Type	mono
Deck Construction Material	GRP
Country Origin	Finland
Length (feet)	44
Length (m)	13.4
Length Waterline (m)	10.33
Beam/Width (feet)	12.5
Draft (m)	2.35
Keel/Ballast	12,600 lbs
Number of Helms	1
Displacement	28,000 lbs
Engine Notes	Slipped 2016. 2017 - top end rebuild, new injectors, heat exchanger cleaned, and hoses replaced. Dedicated start battery.
Number Of Engines	1
Engine Standard	Yanmar 4JH-TE turbo
Engine Hours	3800
Horse Power (hp)	55
Drive Type	Shaft
Generator	5hp diesel - 130A 12v
Number of Batteries	1
Fuel Type	Diesel
Number of Fuel Tanks	2

Fuel Tank Capacity (L)	225
Propeller	Folding Max prop
Steering System	Wheel/ Quadrant
Number of Berths	6
Number of Showers	1
Shower Type	Engine/ electric driven hot water.
Number of Toilets	1
Toilet Type	Wilcox Crittenden Skipper II
Number of TVs	1
Holding Tank (L)	25
Galley Notes	Microwave.
Stove	3 burner propane. Remote solenoid and detector.
Refrigeration	1 x large.
Number of Freezers	1
Number of Sinks	2
Entertainment and Appliances Notes	Stereo and Bose speakers. TV.
Anchor / Winch	Neilson
Bilge Pump	3
Deck Gear	Lifelines Amsteel. Fresh water hose/ shower in lazarette. Davits.
Mast/Rigging	Tall rig option.
Sail Inventory	Full batten Main, 130, 140 Genoa, Staysail, Storm Staysail, Trisail.
Electrics	All wiring replaced 2002 and new distribution panel installed. The boat is bonded electrically. 880 Ah lifeline AGM batteries replaced January 2017. 500 watts of solar power with 2 controllers. Also 5hp Kubota with 130 amp alternator. Outback 2500w inverter/ charger. Several AC outlets and 7 USB outlets around boat. All lighting upgraded to LED.
Electronics Navigation	Raymarine - Radar, ST290 Display, RL70CRC. Alpha 3000 Autopilot.
Ground Tackle	Primary 25kg Rocna on 100m 3/8 inch chain. 20k Bruce with 10m of 3/8 inch chain and 60m of rode (2017). Neilson-Maxwell windlass. Custom stainless steel guide tube to lead chain weight aft for better sailing trim.
Watermaker / De-Sal	Spectra 20L/hour.
GPS	Raymarine
Has Navigation Lights	Yes
Radio	VHF
Number of Life Jackets	3
Remarks	Many spares.
Vessel Name	WIZ
