Description

2000 Swanson 42 now for sale exclusively with DBY Boat Sales.

Swanson 42's are known to be amongst the best choice of yacht for bluewater sailing and there are plenty out there that have circumnavigated the globe. This fine example, launched in 2001, would undoubtedly be the best Swanson 42 that has ever floated. She is a credit to her current long-term owners.

The encapsulated keel with skeg hung rudder is always a safe choice for blue water passages. An extremely comfortable boat at sea or at anchor.

The interior is warm and inviting and is simply a pleasure to spend time in. Reverse cycle air condition to all cabins and interior areas is a lovely bonus for both the tropics and those colder locations.

The generous sized aft cabin is spacious and private with fully enclosed ensuite. A large workshop area is forward at the bow with another fully enclosed private ensuite to starboard. Accommodation for 8 people.

Extensive upgrades have been made to her electronics and the standing and running rigging was replaced in 2018 whilst also sand blasting the mast and boom back to bare metal before re painting.

The cutter rigged sloop has a large, quality sail wardrobe allowing for plenty of varied wind conditions.

A relatively shallow draft of 5 ft 10 inches is ideal for entry into the waterways of Australia's coastline.

If you are looking for a stunning, head turning, safe passage making yacht, please call DBY Boat Sales to arrange an inspection today. 02 9999 3311 or email us sales@dbyboatsales.com.au
