## Description

Swanson 42 1979, SHIRALEE, is an immaculate Swanson exclusively for sale with DBY Boat Sales.

REDUCED!! MOTIVATED SELLER!! MAKE AN OFFER!!

The Swanson 42 has a reputation as a solid cruising boat. Shiralee is 46 years old and now needs an owner keen on a new project or ideally living aboard a boat that needs some care and attention. This boat presents opportunity to the right owner. The sum of the restoration on this boat so far makes her arguably worth more than the current asking price. But she does need some work. Parts of the deck core need replacing as does the PSS seal.

The current list of improvements include: the exterior of the hull has been resprayed by Beashalls, the galley has been refitted ( new stove and fridge freezer), all electrics have been upgraded by Aquatronics and lithium batteries have been fitted.

All work on the boat has been catalogued and there a three folders on board showing dates and inventory of work done and parts installed.

The layout of the boat is ideal for someone looking to liveaboard ...there is ample water capacity (555 litres in recently added stainless steel tanks), hot water from a recently installed hot water system ...a large aft owners cabin, a work bench with vice and ample storage in the forepeak/chain locker. The sails appear in good condition and there is an inventory of gear (including stainless steel gas bottles ) that is genuinely impressive.

Shiralee is worth a look for the right buyer who is prepared to do the work to reap the cruising rewards that Swanson yachts are famous for.

A November 2025 out of water survey is available.
