Description

Lying in Sydney Harbour we have for sale this excellent 1985 Swarbrick S111 yacht, better known to some as the Spacesailer 36.

Designed by WA designer Kim Swarbrick and built by Seton Craft boat builders, this has to be about as close as you will come to the perfect cruiser racer.

Renegade has a bag of racing trophies to her name including a second overall in the Pittwater to Coffs race.

The deck has been set up by an experienced yachtsman for easy, short handed racing or cruising. She is bristling with top equipment including recently upgraded mast, boom and Dyform SS rigging, self tailing winches, steering cables, electric windlass, Gori folding prop and the list goes on and on.

Down below her fastidious owner has kept her in a condition that one rarely sees. Recently upgraded creature comforts include 12v fridge, gas 2 burner stove and oven, electric head with holding tank, added fresh water tankage, new batteries, tons of storage and upgrades too numerous to mention.

Renegade has to be one of the best buys on the market today. She has just been listed and will not last long at this price.

If you are looking for one of the most comfortable performance cruisers ever built in Australia, you owe it to yourself to book an inspection. If you are considering buying a Northshore 38, Renegade will change your mind and you will not be sorry.

NOW REDUCED!
