The Swarbrick S111 has proven to be a versatile yacht. In particular, this fully fitted version as well as very accommodating, sails competitively with no vices.

Above is a folded permanent bimini cover, with shade also provided with an elegant rolled/ battened sun and rain cover that transform the boat into a great place to be rain or sun.

Deck gear is appropriate and simple, quality headsail furler, easily reefed main. Simple.

Below is 3 separate double cabins, addition dinette double and single. Refrigeration, pressurised hot and cold water, h/c shower in separate head. Gas oven and 3 burner. Nav area, workshop storage.
