## **Description**

1984 Tartan 37 now for sale with DBY Boat Sales, lying Pittwater.

This amazing pocket blue-water cruiser has just sailed in after crossing from Los Angeles.

She is fully equipped to just keep on sailing. Her vast inventory includes a terrific anchoring system, sound electronics including solar and wind.

She has a fully enclosed cockpit for all weather sailing, plus davits on the back for easy handling of a dinghy.

An outstanding and valuable feature of this design is her lift keel which reduces her draft to just 4ft 2 inches to access the shallow berths or anchorages.

Beautifully and neatly presented for a vessel of this age. Her proud owners are available for a thorough familiarisation handover.
