Description

SOLD. PLEASE CONTACT US FOR SIMILAR LISTINGS

MASSIVE REDUCTION FOR QUICK SALE.

A classic, sought after US production Yacht... and no need to search the US... 'One Tack' is in Sydney.

A quality yacht with superior fitout would now cost US$375,000 to produce.

Shipped to Australia in 2010 and extensively recommissioned and all taxes paid.

Launched 1987, this is the variable draft version at 4' 2" and with windward centreboard down 7' 9"... ideal for coastal cruising.

The interior layout is very spacious featuring up to 3 doubles and one single berth.

A clever folding dinette table affords open plan when underway, and at anchor, a full 8 person dinette.

In 2010 the yacht was recommissioned in Sydney and this included a mast respray and new standing and running rigging.

In this era the Amercias produced serious upmarket cruising yachts. The Tartan 37 compares more than favourably with Swanson 38, Arends 33, Cavalier 37, Northshore 38.

For its age this yacht presents very well and is being sold only due to the owners time pressures from overseas work.

MASSIVE REDUCTION. WAS $135,000, NOW REDUCED TO $99,000
