Classic 32 ft Timber Cruiser built circa 1970 is now for sale with DBY Boat Sales.

A very pretty boat that turns heads, with stunning lines, covered cockpit, great sea boat, fastidiously maintained, and in top condition.

A real gentleman's boat.

Separate toilet and shower area, gas cooking in a functional galley area.

Light and airy saloon area with great visibility out onto the water.

This is a lovely boat that will provide lots of pleasure to her next owner all ready to go, just antifouled in August so simply turn the key and you are on your way to some very pleasurable times on the water in a very user-friendly classic boat.

She is powered by a 120 HP 6 Cylinder Ford Bowman Diesel shaft drive, fresh water cooled with ceramic wet exhaust, plus as a bonus there is a joystick-controlled bow thruster at the helm. Cruise speed is a comfortable 8 knots at a very economical 1600 RPM.

Easy boat to inspect on a Yacht club berth near our office, and this boat will not disappoint if you are looking for a good, clean, pretty classic timber boat ready to go.
