Top Hat 25's have always been a top performer when it comes to economical cruisers or twilight racers and this particular boat is a fine original example.

She has an enclosed head, galley with sink and 2 burner metho stove, a generous v-berth plus a well maintained Mercury inboard diesel shaft drive.

Extensive suite of sails.

The current owner of over 20 years has taken her up and down the coastline with great reliability and her almost 50/50 ballast ratio with full encapsulated lead keel ensure a sea friendly motion.

If you are looking for a well-maintained pocket cruiser at an entry level price, then this boat will not disappoint.
