## Description

SOLD - This 1987 Top Hat 30, an updated version of the HMG 31 built by Halvorsens, is now for sale.

The new builder Form It modified the interior to create more interior room as well as making her an aft cockpit. Featuring a huge cockpit and saloon, outstanding for its length, this Top Hat is robustly built, and a beamy and spacious cruising yacht.

Launched in 1987 she is heavily fitted and includes oversize rigging replaced in 2007. She has walk around decks, good window area and lots of ventilation with big deck hatches recently added.

Only 2 loving owners since new. She shows care and attention to detail.

A hard to find shallow draft cruising yacht at an affordable price.
