Description

1985 Traditional 30 now for sale exclusively with DBY Boat Sales.

Can be delivered anywhere on NSW coast.

Traditional 30 yachts are amongst one of the most popular choices for couples or families wanting to get into yachting. It's hard to get any easier than a Traditional 30.

This Traditional 30 designed by Peter Cole and launched in 1985 is in very good original condition. Traditional 30's are renowned for the overall volume internally and often out size a 32-footer for space and comfort.

This boat has been owned by the same owner for many years (only the 2nd owner) and they have kept her in excellent condition all round.

Aluminium mast and boom with stainless steel rigging which was replaced 2011.

The 2-cylinder 20hp Bukh diesel engine is in excellent working order with maintenance records available.

Engine serviced September 2022.

A large settee down below accommodates 6 and converts to be another double amidships. There is a generous V double in the bow and 1 quarter berth to aft. A private and fully enclosed head is aft of the forward stateroom bulkhead.

Full boat covers from stern to forward of the mast plus a large boom tent-sun awning for additional protection from the weather. Battened mainsail and furling genoa makes for simple sailing.

A recent antifoul December 2021 has been done so this one is ready to go.

A perfect upgrade from something a little smaller or a very suitable boat for a couple or small family.
