Description

Traditional 30.

SINEAD was launched circa 1984 and is one of the nicest Traditional 30s that we have seen.

Exclusively for sale with DBY Boat Sales, she comes with a mint condition 2011 model Kubota 22hp diesel engine and only a very low 280 hours of use. The engine has had a recent service in October 2025 plus she was slipped for antifoul at the same time.

The cockpit on a Traditional 30 is large and has enough length in her bench seats to stretch out and snooze on the cockpit cushions after a day of sailing. Sails are only a few years old and the rigging was replaced in 2016. There is a spinnaker and 2 spinnaker poles to complete the sail wardrobe.

The accommodation can sleep 6 and the settee is amongst the biggest you will get on a 30 footer.

The galley is U shaped and very functional with a gas certificate for the 2014 model SMEV stainless steel cooktop and oven.

There is a generous sized spray dodger to protect you from the elements plus a bimini on a stainless steel folding frame over the helm area.

A deep swim ladder on the transom makes for easy water access.

If you have been looking for a Traditional 30, it will be hard to find better one than this one.

Antifoul: November 2025

Give DBY Boat Sales a call on 02 9999 3311 or email us Sales@dbyboatsales.com.au to arrange an inspection.

Designer: Peter Cole

-

Built by: Traditional Yachts (Australia).

-

LOA: ~30.08 ft (≈9.17 m), LWL ~25 ft (≈7.62 m)

-

Beam: ~9.8 ft (~3 m)

-

Draft: approx 1.65 m (≈5.4 ft)

-

Displacement: ~3,751 kg
