Description

SOLD : This ever popular Traditional 30 is one of only two built to survey standard which included extra strengthening to the hull, chain plates, rig and rudder.

The current owners of 10 years have cruised the East coast of Australia extensively with three return trips to the Whitsunday Islands and a cruise to Tasmania.

In 2006 the rig was replaced and a new 20 H.P. diesel motor was fitted.

With a little TLC this 1984 Traditional 30 is an absolute bargain at \$29,900
