Description

1980 Trintella 38 now for sale with DBY Boat Sales.

Very well presented fully imported Trintella 38 has just arrived from Europe, sailed by a family of 2 adults and 2 children.

The design is from Van de Stadt in cooperation with the former well known yard of Anne Wever. As one of the earlier centre cockpit designs, Anne Wever set the benchmark for other boatyards, such as Hallberg-Rassy, Contest or Moody.

Trintella design is without compromise, building with only the highest quality materials, and an excellent ballast to weight ratio. She is robust and performs well.

Built in The Netherlands, the design features amazing volume and headroom. This includes her underdeck walkway to the rear cabin, and her considerable space generated in the main cabin and forward. She feels like a much larger vessel.

Quo Vadishas had no expense spared in her upkeep. She has a near-new low hour 57hp diesel engine.

Her extensive suite of B&G electronics was installed in 2018.

Antifouled September 2019.

This is a great opportunity to purchase a fully equipped, ocean-ready yacht for a super competitive price.

Features

Designer	EG Van De Stadt
Builder	Anne Wever
Water (Potable) Capacity (l)	700
