## Description

Well maintained 1982 Triton 24 MK V now for sale.

The John C. Alsop designed family cruiser/racer has been a popular choice for many years for the young family venturing into cruising yachts. With an easily handled masthead sloop rig, and short keel with a balanced spade rudder, she has proven to be the ideal cruiser/racer.

The improvements made on the MK V version have been well received by cruisers with the larger galley being moved forward and located adjacent to the saloon seating allowing for generous 1/4 berth in the stbd rear quarter.

This particular boat has been well cared for and is evident in her condition.

She has a recently serviced Yanmar 7.5hp diesel, generous sail wardrobe and new anti fouling so is ready to go for her new owner.
