## Description

### Triton 24

Well maintained 1982 Triton 24 MK V with a brand new 2021 model Yanmar 10hp is now exclusively for sale with DBY Boat Sales.

The John C. Alsop designed family cruiser/racer has been a popular choice for many years for the young family venturing into cruising yachts. With it's easily handled masthead sloop rig and short keel with a balanced spade rudder she has proven to be the ideal cruiser/racer.

The improvements made on the MK V version have been well received by cruisers with the larger galley being moved forward and located adjacent to the saloon seating allowing for generous 1/4 berth in the starboard rear quarter.

This particular boat has been well cared for and is evident in her condition.

A massive highlight is the recently installed 2021 Yanmar 10hp diesel with only 25 hours on the clock, generous sail wardrobe and will be sold with new anti-fouling so is ready to go for her new owner. Summer is on the way.
