Description

Universal 41 Flybridge Cruiser — The Ultimate Sydney Entertainer

Built for those who love cruising in comfort and entertaining in style on Sydney's iconic waterways, this one-of-a-kind Flybridge Cruiser demands attention from the moment you step onboard.

Originally launched in 1987 as a Universal 41 Trawler-style cruiser designed by Litton/Stuart, the vessel underwent a masterful transformation in 2004, when the entire superstructure was custom-rebuilt by master shipwrights at Scarborough Engineering (Gloucester, NSW). The result is a timeless, rock-solid, professionally crafted cruiser with modern flybridge luxury and serious wow-factor.

Unmatched Entertainment Design

- Massive covered flybridge deck built for unforgettable days and nights on the water
- 5 x U-Tec fridge/freezers — ice-cold refreshments always within reach
- Fusion premium sound system — set the perfect vibe at anchor or underway
- 2 x Fusion TVs — movie nights, live sports, or steaming sunsets included
- Designed as the ultimate social platform for family, friends and celebrations

Comfortable Family Cruiser

- Sleeps 5 in well-appointed accommodation
- Fully enclosed bathroom with electric toilet + separate stand-up shower
- Perfect for weekends away, island hopping, or extended holiday cruising

Power, Precision & Economy

- Twin Perkins 1987 shaft-drive diesel engines — reliable, smooth and proven, a major service in August 23 and has only done 30 hours since
- Side-Power bow thruster — effortless docking & tight-space maneuvering
- Surprisingly economical to run — long days on the water without the fuel shock
- Onan generator powering full 240V comfort for all onboard systems

Why This Boat Stands Out

- Professionally rebuilt structure (2004) by renowned master craftspeople
- Rare custom entertainment flybridge layout not found on other cruisers
- Solid construction you can feel — engineered, not just built
- The perfect mix of classic pedigree + modern upgrades

Your Sydney Water Lifestyle Starts Here

Whether it's a relaxed cruise up the Hawkesbury, anchoring in hidden bays with music playing, or hosting your closest friends on a huge covered deck under the stars — this boat turns ordinary days into memories.
