Description

Van De Stadt 9mBlack Soocirca 1970 is now for sale exclusively with DBY Boatsales.

The brand new 17hp Sole diesel shaft driven engine is an absolute ripper with only 35 hours showing on the meter and recently had the first service. Built as a hard chine yacht with angled stem and straight cambered transom with 1/2 inch marine plywood, dynel sheathed, she is heavy and solid for her size.

A simple and open layout down below gives plenty of natural light and airflow.

The accommodation can sleep 4 people and there is a clever design where one can use the ribs to create a large double bed in the cockpit for those balmy or tropical nights. Metho cooking and pressurised water for a simple galley layout.

Aluminium mast and boom with stainless steel rigging. A good wardrobe of 6 year old sails including a battened main in boom bag with lazy jacks, # 1,2,3 hank on jibs and a spinnaker for fun downwind.

A classic looking entry level yacht.

Features

Designer	Van De Stadt
Water (Potable) Capacity (l)	40
