## Description

1980 Viking 30 now for sale exclusively with DBY Boat Sales.

Viking 30 yachts were built in Perth, WA and designed by the legendary Ben Lexcen. They sail very well and point close to the wind.

This 1980 example has had some recent upgrades which include a brand-new battened mainsail, new spray dodger and boom bag plus solar checked.

The interior layout is a large single bunk in the v berth, 2 single bunks to starboard, 1 settee table that converts to a double bed and an aft quarter berth so she can sleep 6 in total.

A simple galley with gimballed kerosene 2 burner and pressurised water at the sink. A chest style ice box and ample cupboards for pantry storage.

The engine is a Yanmar 12hp single cylinder shaft driven diesel that has been recently serviced and runs well.
