Description

Swedish built Vindo 65 Mix. This 39ft boat is all you would expect from the classic yacht building region of Sweden. Highest quality and incredibly seaworthy.

SYMI has transited safely and shorthanded from Europe and is now offered for sale by her proud owners.

She is a 2 cabin version with 2 heads. Her layout has a generous dinette and lounge area and is complimented by a fine galley.

For navigation and operational safety SYMI is substantially equipped and able to be easily managed from the cockpit or downstairs at her chart table.

Her electronics include radar, AIS and GPS. She has solar and wind generation and so is extremely good for extended off grid cruising.

SYMI is fully imported into Australia and loaded with equipment for another bluewater adventure.

Her motor was replaced with as new 4JH5E Yanmar which is showing just 420hrs.

She is just over 38ft long and draws just 1.8 metres so the perfect size for a couple to live on board.

Priced well to sell quickly.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au
