## Description

2002 Voyager 440Sea of Timenow for sale exclusively with DBY Boat Sales.

The Voyage 440 model won Cruising World Boat of the year in 2002 and best cruising multihull in 2002, the first ever multihull to win the overall sailboat of the year award.

The judges were super impressed over the unmatched blend of performance, quality of construction and attention to details necessary to qualify her as a serious world cruising catamaran.

Offered in 4 and 3 cabin versions the factory was swamped for orders for charter fleets but surprised themselves by the incredible take-up of the 3-cabin owner version.

The 2001-2004 era Voyage 440 owner's version set a standard that few other production catamarans have subsequently achieved. They are so well regarded that they are hard to come buy with many still owned by original buyers.

Sea of Timeis a 2002 owner version.

She was rerigged last year. Her motors are Yanmar 42hp with 1500hrs on each.

Sails are in great condition including a 1-year-old mainsail.

Sea of Timeis fitted out with international cruising in mind with most of what is needed for your dream adventure.
