Description

Wells 41 APHRODITE II exclusively for sale with DBY Boat Sales.

This Bluewater 41 was designed by Terry Wells and built by GRP Yachts in New Zealand in 1984. The builder has a reputation for building these high quality, cruising yachts using modern GRP construction techniques and traditional timber craftsmanship.

Features a fully enclosed cockpit that provides amazing 360 degree vision. In 30 knots of wind you are absolutely dry and warm!

2022 Rigging.

Brand new autopilot - Raymarine Evolution Pilot ACU 400 including P70's Pilot head and Ev1 sensor core: August 2026

The classic cruising interior layout includes:

- Double V berth cabin in the bow area
- Bathroom on Port side behind Forward cabin
- Storage opposite the bathroom on the starboard side
- L-shaped settee berth on the Port side of the saloon
- U shaped galley on Port side of saloon behind the settee
- Forward facing Nav station on starboard side with single berth

APHRODITE II sailed around the World twice with her original owners. She is a serious ocean-going Bermuda Cutter and has extensively cruised the East Australian coast including far north Queensland and down for a circumnavigation of Tasmania. Built and fitted out and equipped for shorthanded bluewater cruising: her inventory is extensive.

APHRODITE II benefits from her many upgrades and is testimony to having been carefully maintained over the years.

Outstanding presentation for her age. The immaculate engine room tells you the whole story of how well she has been maintained.

Date of last Antifoul and engine service (August/September 2026)

APHRODITE II is now ready for her new owners to take them on their dream adventure.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please email sales@dbyboatsales.com.au
