Description

This 1984 Westsail 33 has been beautifully maintained and is an example of this true classic, exclusively for sale with DBY Boat Sales.

Built in Western Australia this design is known for its beautiful, sea kindly manner. For her size she is bigger in volume than most similar length boats with a well laid out liveaboard interior. She can easily sleep 5 so good for family holidays.

Her long term owners have ensured she has maintained her original charm with wonderful warm timber fit out and original portlights.

On deck she has laid decks with serious bulwarks and gunwhales with high lifelines to keep the kids aboard. Lots of sail options with furling sails on the bowsprit as well as an inner cutter furling jib. Her rigging was replaced in 2013.

Her motor was replaced in 2003 with a Yanmar 40hp diesel that is low hours, well maintained and very reliable.
