Description

2012 Whisper 38 now for sale with DBY Boat Sales.

The Whisper 38 is a stylish day cruiser or a weekender in your preferred hideaway bay somewhere.

An open plan interior that has a generous sized V double in the bow area and cushioned seating throughout the transom and Island lounge.

The attractions are it's simplicity and generous speed for what is more commonly seen amongst most slower motor cruisers. The Whisper 38 will sit comfortably at 16 knots being powered by an ever reliable Yanmar 240hp diesel shaft driven engine with just under 500 hours on the meter and sipping 10 litres per hour.

Excellent viewing angles from the enclosed double helm seating which has all the mod cons.

Raymarine hybrid touchscreen chart plotter and 24nm Radar, Fusion blue tooth sound system, pressurised house hot and cold water, electric anchor controls at the helm. Automatic and manual bilge pumps.

The fully covered cockpit covers convert into a large sheltered area over the whole cockpit supported by stainless poles.

This motor cruiser has been a one owner vessel since buying her new in 2012. It has recently returned from a 2 year stint in Queensland and is now in Sydney to be sold here.

Just antifouled and engine serviced in September 2019. A perfect, fast choice to explore Pittwater's sheltered anchorages, Sydney Harbour and Brisbane Waters.
