Description

Whitby 42 "Silver Lining" – Exclusively for Sale with DBY Boat Sales

True Bluewater Cruiser with Full Keel & Ocean-Proven Pedigree

Set sail on your next offshore adventure aboard Silver Lining, a renowned Whitby 42 designed by Ted Brewer and constructed by Whitby Boatworks in Ontario, Canada. Her solid full keel design ensures unmatched directional stability, safety, and comfort at sea—making her a genuinely ocean-crossing capable vessel, ideal for serious bluewater sailors, liveaboards, and coastal explorers alike.

This well-equipped, extensively upgraded yacht has already circumnavigated half the globe. Her journey has taken her from Canada through the Caribbean (including extended cruising in the San Blas Islands), across the Pacific to Australia, and throughout the East Coast—and an impressive five successful voyages to Lord Howe Island— one of the most demanding offshore trips on the Australian east coast. Offshore-Ready, Cruising-Comfortable, and Turnkey

Fully NSW and Australian registered, Silver Lining is ready for immediate international departure. She was hauled out in April 2025 for a fresh antifoul, polish, and Prop Speed—with no expenses spared.

⚓ Key Features and Upgrades

Anchoring and Ground Tackle

- Manson Supreme anchor with 70m of 10mm short-link chain.
