Description

Yamaha 25 MK II SAGA exclusively for sale with DBY Boat Sales.

Yamaha built a number of these classic 25 footers but only a handful were ever imported into Australia.

This is an ideal entry into boating, SAGA is easily sailed solo with all lines back to the cockpit and has performed well for her current owner in twilight racing.

This 1978 model is a lovely example of a clean, tidy and well maintained boat. The recently refurbished Yanmar diesel engine showing just 822 hours.

She can accommodate up to 5 quite easily. There is a simple galley and plenty of storage.

SAGA is a perfect entry level boat ideal for solo sailing or for a couple or young family looking to start their journey into yachting.

An Insurance Inspection Report from November 2024 is available on request.

Inspections welcome and will not dissappoint.
