Introducing HALLBERG-RASSY bluewater cruising yachts

[Hallberg-Rassy](#) is the number one yachting brand most sailors can only dream of but we can make a Hallberg-Rassy your reality. Hallberg-Rassy, built in Sweden, has always meant luxurious comfort combined with easy handling. *"There is no need to be soaking wet to enjoy sailing"*. A Hallberg-Rassy is synonymous with sturdy construction, a well protected cockpit, precision woodwork, a powerful engine with big tankage.

The looks of a Hallberg-Rassy have evolved with the years and still they are immediately recognisable, even at a distance, no matter if it is a new boat, or decades old. A Hallberg-Rassy never goes out of style. Hallberg-Rassy yachts have style; their own. A Hallberg-Rassy has always stayed true to this concept and has never tried to do anything but blue water cruisers. That is why you find and easily recognise a Hallberg-Rassy wherever you are in the world.

With many models to choose from Hallberg-Rassy has the yacht for you. The fleet includes yachts from 31' to 64' model. All built with sturdy construction, superb craftsmanship and signature seaworthiness, plus the detailed woodwork gives it an unmistakable atmosphere.

A new yacht model will be in production at the Open Yard in August 2020. They have only given us a teaser so far and there has been some guessing as to what model it will be. Please see [link here](#).

What the DBY team has been up to...

Our very own **Rod Waterhouse** on the helm of **Comanche**, the Line Honours winner of the Sydney to Hobart yacht race. Rod was one of the crew to sail Comanche to Sydney Harbour from Brisbane in order for her to participate in the inaugural race. He certainly looks like he is having a blast!

DBY's **Darren Parker** sailed on a Sydney 38 "Mille Sabords" in the **Rolex Sydney to Hobart yacht race** a couple of weeks ago. Fantastic conditions were enjoyed during this world renowned race in its 75th year.

The crew of 9 on board enjoyed themselves immensely and with great sailing experience

between them they managed to achieve amazing results. Coming 3rd in their division of Sydney 38's and 3rd in the Corinthian division made them extremely pleased and celebrations were aplenty!

David Renouf and Sophie Renouf (Father and daughter team) from DBY about to compete in the F18 Australian National titles for 2020 in Hobart, Tasmania.

Formula 18 (F18) catamaran sailing and fleet racing is amongst the fastest and most spectacular sailing class known in the world. We wish David and Sophie the best of luck!
