## Featured Boat

### Farr 56 Pilothouse

\$595,000

We have the pleasure of listing "*Farrflyer*", a very special and sought after 2003 Farr 56 pilothouse.

She is a proven bluewater cruising yacht with great performance and stability. Currently lying in Brisbane after an amazing and well documented circumnavigation.

*Farrflyer* is a limited edition center cockpit, cutter rigged sloop. This Farr design is very different and cannot be compared to the many mass produced production boats available today that are built to a price. *Farrflyer* had no expense spared on her in all aspects of equipment and design. She was custom built to order in Sweden.

She is now an Australian registered vessel and is for sale at a fraction of her original cost. This is an opportunity to own a beautiful, rare and fast cruising yacht that is turnkey ready to take you anywhere in the world in luxury.

She has proven herself in all conditions. Constructed of single skin solid laminate in the central regions below the waterline for strength and her topsides are in a Divinycell core sandwich for rigidity and light weight. *Farrflyer* is equipped to the highest standard and set up for speed, safety, comfort and luxury. Electric winches for hoisting and furling sails she is able to be sailed easily single or double handed.

So whether you are a couple or a family this is the perfect floating dream home.

At DBY we are happy to discuss this event and others on offer. Of course, we can find you the right boat to make this dream a reality.

This rally incorporates the Coral Sea Marine Park, which is one of Australia's and the world's most spectacular marine treasures. Lying off the Queensland Coast and beyond the Great Barrier Reef, from just north of Fraser Island to just south of the Torres Straits in the far north, the Coral Sea Marine park comprises 34 reefs and 56 islets & cays and covers an area of 989,836 square kilometers.
