Next year DBY Boat Sales will celebrate 45 years as a successful boat brokerage in Australia.

We have grown considerably and are still the most active boat brokerage in Australia. We are proud of our heritage and would like to make a special mention to **David Bray** who owned the company from 1977 until 2013. David's knowledge of boats is remarkable and we thank him for the foundation he built over the time he was at the helm. David is a valued friend and mentor of the business and we wish him all the best for the future.

Welcome to our DBY International December 2021 E-Newsletter. We would like to wish you a very happy festive season and all the best for 2022. It has been a busy last few months with boats being listed and sold within days. We have had hundreds of inspections on various boats both here in Sydney, nationally and internationally. We are selling a variety of vessels including large luxury catamarans, blue water cruising yachts, beautiful power boats and your much loved racing/cruising mono hulls.

We are looking for more boats to list so if you are thinking of selling please contact us so we can send you our "Selling pack" which includes some very useful tips on getting your boat ready to sell and what is involved in the listing process.

We also have had a successful year selling new **Hallberg-Rassy yachts** so if this is the yacht you are dreaming about please call us to discuss the many models available, delivery dates and delivery procedure.

At DBY we are so excited about the [2022 Lock Crowther Multihull Regatta](#) which is on in January 2022. RMYC and DBY Boat Sales are sponsoring this regatta which will be a weekend to try some easy cruising or racing with friends and family. Lock Crowther was the Australian pioneer of multihulls and is world renowned for his vision and expertise. In recognition of his legacy this regatta will be very special and we would like all multihull owners from cruising families and racers to enjoy what we believe will be an event not to be missed. Lagoon 440 3 cabin version

\$610,000

"Cat Nirvana" is a stunning 2010 model, Lagoon 440 in the popular 3 cabin owners version layout.

Lagoon 440's are known to be the most popular catamaran ever built. She has been the most successful distance cruiser of all the Lagoon range over the years and for very good reason. The Lagoon 440 provides ultimate comfort, good performance, as well as proven sea-keeping qualities.

This 3-cabin owner version is Ocean ready and lying Gold Coast seeking new owners for her next voyage.

The stability and comfort on the ocean or a rolling anchorage in a catamaran is paramount compared to a monohull. Plus the access to shallow and well protected beaches where dangerous reefs prevent most monohulls to seek shelter is a huge advantage.

The interior provides amazing volume of accommodation and privacy for owner and guests plus a sensational galley and huge salon, not to mention the seating/dining area on the back deck.

The owner's side of the boat includes a magnificent double cabin, with sitting area, followed by a very large head / shower. Designed for extended cruising and life on board, the storage capacity is huge, and includes many dedicated lockers, drawers and hanging lockers in every cabin and living areas.

Australian registered and fully imported, she is ready to sail away into the Pacific or Cruise Australian waters.

Extensive electronic package with 48nm Radar and AIS. 4 KVA generator. She has a big capacity Watermaker plus ample solar and a new mainsail in 2017.

The 440 is well known for her effortless performance and comfortable ride. It is very common for this design to arrive in Australia sailed by only a couple. This beautiful catamaran is well set up for short-handling and is extremely sought after so won't last long for sale.
