DBY Boat Sales [Sydney team](#) in our Newport Office

From left to right: John Lamble, Liz Guthrie, Darren Parker, Michelle Parker, Rod Waterhouse

Hi Fellow Boat Lovers,

I can't believe Christmas is upon us again and 2023 is just around the

corner. Merry Christmas from all of us here at [DBY Boat Sales](#) and we hope next year is a great one for you.

It has been a fast paced year with so much going on at DBY Boat Sales.

Sales are still strong and we have many gorgeous boats on our books with more to come. The blue water cruisers are entering Australia from the Pacific and its great to have international visitors back into our office in Newport, Sydney. We love to hear their stories, make them feel welcome and give them exceptional, quality service that we are renowned for.

With our population of nearly \$26M of which nearly \$8m are in the Greater Sydney area we certainly have the largest demographic to get the best price for anyone's boat. And with Pittwater being such a superb waterway to enjoy and explore where else would you rather be.

Our very own **Rod Waterhouse** has had some great achievements this year. Winner of the HOBIE 16 World's 2022 in the Grand Master division with his wife, Kerry as his sailing partner. What a team! Rod also skippered TEAM AUSTRALIA and successfully won the gruelling 2022 Worrell 1000 race on the East coast of America. Rod also participated in the Swedish F-18 Raid World Championship in Sweden this year - not a winner but a grinner.

John Lamble, our local broker has been busy on our waterways and doing some exciting deliveries up and down the coast. He has also written a small book called "Insiders Guide to Cruising Broken Bay" which is a guide to our waterways near us through local eyes. If you would like to read this please email us and we can send either a hard copy or an electronic copy.

Personally, I have been super busy spreading myself locally and in the Pacific. We are distributing a couple of new products - the [Kicker Electric motor](#), **Kayak Electric motor** and the [Ewinch Electric winch](#) handle. You, the customer, is my main priority so I am always available to help in any way I can.

Please drop in to our office or send us an email with any question you may

have.

See you on the water!

Warm regards

Darren Parker
