Hi Fellow Boat Lovers,

I trust this newsletter has found you enjoying the water somewhere in the world, whether it is spring time like we have in Australia or your favourite waterway.

We have been busy in our local waterways and the Pacific lately. It was a pleasure to catch up with some of our puddle jumpers while I was recently in Fiji, Tonga and Vava'u. Those families are living the dream sailing in some of the most pristine waters the world has to offer.

Rod Waterhouse has been in Tahiti, Sweden, Greece and Spain catching up with cruisers all over plus racing in the Swedish Archipelago Raid. There is no stopping Rod, not that we would want to.

You can catch up with Rod as he will be sailing from Tonga to Sydney in October. He will be passing through Fiji and New Caledonia so look out for him on a Lagoon 450F called "BIKINI". He is a great guy with exceptional knowledge of the Pacific and especially the path to Australia.

You may be selling or you know someone who is. DBY Boat Sales have competitive rates and our aim is to take the pressure off you and pull together a host of experience to provide a seamless experience with an exceptional result. If you would like more information on selling your international boat in Australia click [here](#) or if you have a boat already in Australia, click [here](#).

You may know someone who is thinking of selling. In this case we have a **\$100 Visa Voucher** for you!

The growth and continued success of our business is the result of the continued support and referrals from our existing clients. As a small token of appreciation, anyone that refers a new client to us, that proceeds with a listing and consequently a sale with DBY will receive a \$100 pre paid VISA card. Simply tell your friend to tell us who referred them, and we will post you the VISA card as soon as their boat is sold. With summer approaching boats will be in demand so it's a great time to sell.

We have had the pleasure to spend time with our latest brand new [Hallberg-Rassy 372](#) owners, Ruth and Nick. They and their new girl will be sailing south to Tasmania to enjoy their new yacht in the Tassie waters. Happy sailing Ruth and Nick.

See you on the water!

Warm regards

Darren Parker
Director of DBY Boat Sales

Some of our local listings

Crowther 40 \$109,000

1980's Crowther 40 *Mighty Manfred*. GRP construction this boat is a modified Crowther 10 which was a popular design in mid to late 1980s. I was lucky enough to have owned one and sailed her to San Francisco from Sydney so can vouch for the construction and design.

With centreboards she sails beautifully, so passage times are significantly less than most other cruising Catamarans. Great for exploring shallow waterways and can be beached.

Herreshoff Mobjack 46 \$120,000

A unique find and sort after 46ft Herreshoff Mobjack cutter rigged ketch. Built and launched in New Zealand around 1978, she received an engine upgrade which shows only 1400 hours.

The interior fitout is one that oozes quality rather than price and is still in excellent condition throughout. The aft cabin is spacious and very private from the rest of the yacht.

Halvorsen 36ft yacht \$39,900

ROPAWE is a head turner! She has competed in 3 Sydney to Hobart races with her medals proudly displayed on the bulkhead.

This yacht oozes charm and character along with her historic finishes that would have had some interesting tales told around the oversized settee, butterfly style table. A beautiful yacht.

Traditional 30 \$35,000

Traditional 30 yachts are amongst one of the most popular choices anyone wanting to get into yachting. It's hard to get any easier than a Traditional 30.

Traditional 30's are renowned for the overall volume internally and often out size a 32-footer for space and comfort. This one is in excellent condition and ready for her new owners.

Lightwave Raider 9.2m \$39,900

2008 Grainger Raider catamaran built by Lightwave Yachts. More than just an easily sailed racer she is so much fun to cruise. Perfect for upriver with family with inside berths for 4 with loads more room on the trampoline. I myself own one and just love it, sailing 2 to 3 times a week mostly 2 handed.

Bruce King Custom 41 \$95,000

From the drawing board of the famous Bruce King.... She is stunning and classic. Beautiful lines and spectacular ketch rig. Her hull looks amazing and has only been recently slipped.

Her frames and bulkheads are mahogany. She is well maintained and recently the boat completed a trip across the Pacific so is fitted out accordingly. She is equally beautiful upstairs and down with wonderful warm timbers and a feature main cabin skylight.

Halvorsen 25 Classic \$85,000

Sarawana, has been the owners passion and they have spent a lot of time and money to make it as beautiful as it is today.

The construction date of the boat is estimated to be around 1950 and is the ideal boat for the Sydney bays. Ready to explore...

Cuddles Flybridge 30 \$57,500

Cuddles 30 ft Flybridge motor cruiser. Upgraded 2012 Nanni diesel shaft driven engine showing 2,000 hours on the panel.

Accommodation is the popular 3 queen sized bed layout so she can easily sleep 6. Beautiful boat and ready for fun.
