Winter in Pittwater, Sydney - absolutely glorious!

Hi Fellow Boat Lovers,

Welcome to our latest E-Newsletter and I hope you are enjoying the waterways wherever you are. It certainly has been stunning weather in Sydney, and we

have been out enjoying the winter sunshine either racing, cruising and/or relaxing.

We have our 2023 Pacific dream Adventure guide to hand out to those of you who are interested in passage advice, sailing to Australia and some really great tips overall. This is available in both hard copy and an emailed version. Please let us know if you would like a copy.

We have sold so many boats in the last few months that we are in need of more listings. Many of our customers have "ummed" and "ahhed" a little too long and missed out on their dream boat as someone else pounced quickly. We have a list of people that are waiting on a certain types of boat and yours just might be the one they are looking for. For example - We sold a Beneteau Oceanis 360 in a matter of days with 12 other customers asking if we have another.

We are happy to give you a real valuation on your vessel so you can make an informed decision as to your next move in your boating journey. This is a free valuation and of course involves a good chin wag of where your boat fits into the market today. [VALUATION](#)

Please drop into our office anytime or send us an email with any question you may have.

See you on the water!

Warm regards

Darren Parker
Director of DBY Boat Sales
