

It's Raining Cats but No Dogs!

After the heavy rainfalls we have had in Sydney, the rain has washed in many new catamarans now for sale with DBY. The Bluewater Catamaran sailing fleet is growing as catamarans are being seen more and more as safe, fast and very comfortable vessels. Ocean crossings can be more enjoyable on a catamaran due to space and stability. Monohulls still have their place and are still extremely popular as everyone knows but multihulls popularity is increasing.

Visit DBY and inspect some of our gorgeous Catamarans.
